As of their respective dates, the SEC Reports complied in all material respects with the requirements of the Securities Act and the Exchange Act, as applicable, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The financial statements of the Company included in the SEC Reports comply in all material respects with applicable accounting requirements and the rules and regulations of the Commission with respect thereto as in effect at the time of filing. Such financial statements have been prepared in accordance with United States generally accepted accounting principles applied on a consistent basis during the periods involved ("GAAP"), except as may be otherwise specified in such financial statements or the notes thereto and except that unaudited financial statements may not contain all footnotes required by GAAP, and fairly present in all material respects the financial position of the Company and its consolidated Subsidiaries as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, immaterial, year-end audit adjustments.

(j) Material Changes; Undisclosed Events, Liabilities or Developments. Since the date of the latest audited financial statements included within the SEC Reports, except as set forth on Schedule 3.1(i) or in the SEC Reports, (i) there has been no event, occurrence or development that has had or that could reasonably be expected to result in a Material Adverse Effect, (ii) the Company has not incurred any liabilities (contingent or otherwise) other than (A) trade payables and accrued expenses incurred in the ordinary course of business consistent with past practice and (B) liabilities not required to be reflected in the Company's financial statements pursuant to GAAP or disclosed in filings made with the Commission, (iii) the Company has not altered its method of accounting, (iv) the Company has not declared or made any dividend or distribution of cash or other property to its stockholders or purchased, redeemed or made any agreements to purchase or redeem any shares of its capital stock and (v) the Company has not issued any equity securities to any officer, director or Affiliate, except pursuant to existing Company stock option plans. The Company does not have pending before the Commission any request for confidential treatment of information. Except for the issuance of the Shares contemplated by this Agreement or as set forth on Schedule 3.1(i), no event, liability, fact, circumstance, occurrence or development has occurred or exists or is reasonably expected to occur or exist with respect to the Company or its Subsidiaries or their respective businesses, prospects, properties, operations, assets or financial condition that would be required to be disclosed by the Company under applicable securities laws at the time this representation is made or deemed made that has not been publicly disclosed at least 1 Trading Day prior to the date that this representation is made.

(k) Litigation. Except as set forth on Schedule 3.1(j), there is no action, suit, inquiry, notice of violation, proceeding or investigation pending or, to the knowledge of the Company, threatened against or affecting the Company, any Subsidiary or any of their respective properties before or by any court, arbitrator, governmental or administrative agency or regulatory authority (federal, state, county, local or foreign) (collectively, an "Action"), which (i) adversely affects or challenges the legality, validity or enforceability of any of the Transaction Documents or the Shares or (ii) could, if there were an unfavorable decision, have or reasonably be expected to result in a Material Adverse Effect. Neither the Company nor any Subsidiary, nor any director or officer thereof, is or has been the subject of any Action involving a claim of violation of or liability under federal or state securities laws or a claim of breach of fiduciary duty. There has not been, and to the knowledge of the Company, there is not pending or contemplated, any investigation by the Commission involving the Company or any current or former director or officer of the Company. To the knowledge of the Company, no executive officer of the Company or any Subsidiary, is, or is now expected to be, in violation of any material term of any employment contract, confidentiality, disclosure or proprietary information agreement or non-competition agreement, or any other contract or agreement or any restrictive covenant in favor of any third party, and the continued employment of each such executive officer does not subject the Company or any of its Subsidiaries to any liability with respect to any of the foregoing matters. The Company and its Subsidiaries are in compliance with all U.S. federal, state, local and foreign laws and regulations relating to employment and employment practices, terms and conditions of employment and wages and hours, except where the failure to be in compliance could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(m) Compliance. Neither the Company nor any Subsidiary: (i) is in default under or in violation of (and no event has occurred that has not been waived that, with notice or lapse of time or both, would result in a default by the Company or any Subsidiary under), nor has the Company or any Subsidiary received notice of a claim that it is in default under or that it is in violation of, any indenture, loan or credit agreement or any other agreement or instrument to which it is a party or by which it or any of its properties is bound (whether or not such default or violation has been waived), (ii) is in violation of any judgment, decree or order of any court, arbitrator or other governmental authority or (iii) is or has been in violation of any statute, rule, ordinance or regulation of any governmental authority, including without limitation all foreign, federal, state and local laws relating to taxes, environmental protection, occupational health and safety, product quality and safety and employment and labor matters, except in each case as could not have or reasonably be expected to result in a Material Adverse Effect.

(n) Environmental Laws. The Company and its Subsidiaries (i) are in compliance with all federal, state, local and foreign laws relating to pollution or protection of human health or the environment (including ambient air, surface water, groundwater, land surface or subsurface strata), including laws relating to emissions, discharges, releases or threatened releases of chemicals, pollutants, contaminants, or toxic or hazardous substances or wastes (collectively, "Hazardous Materials") into the environment, or otherwise relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Materials, as well as all authorizations, codes, decrees, demands, or demand letters, injunctions, judgments, licenses, notices or notice letters, orders, permits, plans or regulations, issued, entered, promulgated or approved thereunder ("Environmental Laws"); (ii) have received all permits licenses or other approvals required of them under applicable Environmental Laws to conduct their respective businesses; and (iii) are in compliance with all terms and conditions of any such permit, license or approval where in each clause (i), (ii) and (iii), the failure to so comply could be reasonably expected to have, individually or in the aggregate, a Material Adverse Effect.

(o) Regulatory Permits. The Company and the Subsidiaries possess all certificates, authorizations and permits issued by the appropriate federal, state, local or foreign regulatory authorities necessary to conduct their respective businesses as described in the SEC Reports, except where the failure to possess such permits could not reasonably be expected to result in a Material Adverse Effect ("Material Permits"), and neither the Company nor any Subsidiary has received any notice of proceedings relating to the revocation or modification of any Material Permit.

(p) Title to Assets. The Company and the Subsidiaries have good and marketable title in fee simple to all real property owned by them and good and marketable title in all personal property owned by them that is material to the business of the Company and the Subsidiaries, in each case free and clear of all Liens, except for (i) Liens as do not materially affect the value of such property and do not materially interfere with the use made and proposed to be made of such property by the Company and the Subsidiaries and (ii) Liens for the payment of federal, state or other taxes, for which appropriate reserves have been made therefor in accordance with GAAP and, the payment of which is neither delinquent nor subject to penalties and (iii) Liens granted pursuant to its Senior Secured Convertible Notes issued in March 2022 (the "Notes"). Any real property and facilities held under lease by the Company and the Subsidiaries are held by them under valid, subsisting and enforceable leases with which the Company and the Subsidiaries are in compliance.

(q) Intellectual Property. The Company and the Subsidiaries have, or have rights to use, all patents, patent applications, trademarks, trademark applications, service marks, trade names, trade secrets, inventions, copyrights, licenses and other intellectual property rights and similar rights necessary or required for use in connection with their respective businesses as described in the SEC Reports and which the failure to so have could have a Material Adverse Effect (collectively, the "Intellectual Property Rights"). None of, and neither the Company nor any Subsidiary has received a notice (written or otherwise) that any of, the Intellectual Property Rights has expired, terminated or been abandoned, or is expected to expire or terminate or be abandoned, within two (2) years from the date of this Agreement. Neither the Company nor any Subsidiary has received, since the date of the latest audited financial statements included within the SEC Reports, a written notice of a claim or otherwise has any knowledge that the Intellectual Property Rights violate or infringe upon the rights of any Person, except as could not have or reasonably be expected to not have a Material Adverse Effect. To the knowledge of the Company, all such Intellectual Property Rights are enforceable and there is no existing infringement by another Person of any of the Intellectual Property Rights. The Company and its Subsidiaries have taken reasonable security measures to protect the secrecy, confidentiality and value of all of their intellectual properties, except where failure to do so could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(r) Insurance. The Company and the Subsidiaries are insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as are prudent and customary in the businesses in which the Company and the Subsidiaries are engaged, including, but not limited to, directors and officers insurance coverage at least equal to \$7.5 million. Neither the Company nor any Subsidiary has any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business without a significant increase in cost.

(s) Transactions With Affiliates and Employees. Except as set forth on Schedule 3.1(r), none of the officers or directors of the Company or any Subsidiary and, to the knowledge of the Company, none of the employees of the Company or any Subsidiary is presently a party to any transaction with the Company or any Subsidiary (other than for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, providing for the borrowing of money from or lending of money to or otherwise requiring payments to or from any officer, director or such employee or, to the knowledge of the Company, any entity in which any officer, director, or any such employee has a substantial interest or is an officer, director, trustee, stockholder, member or partner, in each case in excess of \$120,000 other than for (i) payment of salary or consulting fees for services rendered, (ii) reimbursement for expenses incurred on behalf of the Company and (iii) other employee benefits, including stock option agreements under any stock option plan of the Company.

(t) Sarbanes-Oxley; Internal Accounting Controls. The Company and the Subsidiaries are in compliance with any and all applicable requirements of the Sarbanes-Oxley Act of 2002 that are effective as of the date hereof, and any and all applicable rules and regulations promulgated by the Commission thereunder that are effective as of the date hereof and as of the Closing Date. The Company and the Subsidiaries maintain a system of internal accounting controls sufficient to provide reasonable assurance that: (i) transactions are executed in accordance with management's general or specific authorizations, (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and to maintain asset accountability, (iii) access to assets is permitted only in accordance with management's general or specific authorization, and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences. The Company and the Subsidiaries have established disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) for the Company and the Subsidiaries and designed such disclosure controls and procedures to ensure that information required to be disclosed by the Company in the reports it files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the Commission's rules and forms. The Company's certifying officers have evaluated the effectiveness of the disclosure controls and procedures of the Company and the Subsidiaries as of the end of the period covered by the most recently filed periodic report under the Exchange Act (such date, the "Evaluation Date"). The Company presented in its most recently filed periodic report under the Exchange Act the conclusions of the certifying officers about the effectiveness of the disclosure controls and procedures based on their evaluations as of the Evaluation Date. Since the Evaluation Date, there have been no changes in the internal control over financial reporting (as such term is defined in the Exchange Act) of the Company and its Subsidiaries that have materially affected, or is reasonably likely to materially affect, the internal control over financial reporting of the Company and its Subsidiaries.

(u) Certain Fees. Except as set forth in the Prospectus Supplement or in the Engagement Letter, no brokerage or finder's fees or commissions are or will be payable by the Company or any Subsidiary to any broker, financial advisor or consultant, finder, placement agent, investment banker, bank or other Person with respect to the transactions contemplated by the Transaction Documents. The Purchasers shall have no obligation with respect to any fees or with respect to any claims made by or on behalf of other Persons for fees of a type contemplated in this Section that may be due in connection with the transactions contemplated by the Transaction Documents.

(v) Investment Company. The Company is not, and is not an Affiliate of, and immediately after receipt of payment for the Shares, will not be or be an Affiliate of, an "investment company" within the meaning of the Investment Company Act of 1940, as amended. The Company shall conduct its business in a manner so that it will not become an "investment company" subject to registration under the Investment Company Act of 1940, as amended.

(w) Registration Rights. No Person has any right to cause the Company or any Subsidiary to effect the registration under the Securities Act of any securities of the Company or any Subsidiary.

(x) Listing and Maintenance Requirements. The Common Stock is registered pursuant to Section 12(b) or 12(g) of the Exchange Act, and the Company has taken no action designed to, or which to its knowledge is likely to have the effect of, terminating the registration of the Common Stock under the Exchange Act nor has the Company received any notification that the Commission is contemplating terminating such registration. Except as set forth in the SEC Reports, the Company has not, in the 12 months preceding the date hereof, received notice from any Trading Market on which the Common Stock is or has been listed or quoted to the effect that the Company is not in compliance with the listing or maintenance requirements of such Trading Market. The Company is, and has no reason to believe that it will not in the foreseeable future continue to be, in compliance with all such listing and maintenance requirements. The Common Stock is currently eligible for electronic transfer through the Depository Trust Company or another established clearing corporation and the Company is current in payment of the fees to the Depository Trust Company (or such other established clearing corporation) in connection with such electronic transfer.

(y) Application of Takeover Protections. The Company and the Board of Directors have taken all necessary action, if any, in order to render inapplicable any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or other similar anti-takeover provision under the Company's articles of incorporation, as amended (or similar charter documents) or the laws of its state of incorporation that is or could become applicable to the Purchasers as a result of the Purchasers and the Company fulfilling their obligations or exercising their rights under the Transaction Documents, including without limitation as a result of the Company's issuance of the Shares and the Purchasers' ownership of the Shares.

(z) Disclosure. Except with respect to the material terms and conditions of the transactions contemplated by the Transaction Documents, the Company confirms that neither it nor any other Person acting on its behalf has provided any of the Purchasers or their agents or counsel with any information that it believes constitutes or might constitute material, non-public information which is not otherwise disclosed in the Prospectus Supplement. The Company understands and confirms that the Purchasers will rely on the foregoing representation in effecting transactions in securities of the Company. All of the disclosure furnished by or on behalf of the Company to the Purchasers regarding the Company and its Subsidiaries, their respective businesses and the transactions contemplated hereby, including the Disclosure Schedules to this Agreement, is true and correct and does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading. The press releases disseminated by the Company during the twelve months preceding the date of this Agreement taken as a whole do not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made and when made, not misleading. The Company acknowledges and agrees that no Purchaser makes or has made any representations or warranties with respect to the transactions contemplated hereby other than those specifically set forth in Section 3.2 hereof.

(aa) No Integrated Offering. Assuming the accuracy of the Purchasers' representations and warranties set forth in Section 3.2, neither the Company, nor any of its Affiliates, nor any Person acting on its or their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would cause this offering of the Shares to be integrated with prior offerings by the Company for purposes of any applicable stockholder approval provisions of any Trading Market on which any of the securities of the Company are listed or designated.

(bb) Solvency. Based on the consolidated financial condition of the Company as of the Closing Date, after giving effect to the receipt by the Company of the proceeds from the sale of the Shares hereunder, (i) the fair saleable value of the Company's assets exceeds the amount that will be required to be paid on or in respect of the Company's existing debts and other liabilities (including known contingent liabilities) as they mature, and (ii) the current cash flow of the Company, together with the proceeds the Company would receive, were it to liquidate all of its assets, after taking into account all anticipated uses of the cash, would be sufficient to pay all amounts on or in respect of its liabilities when such amounts are required to be paid. The Company does not intend to incur debts beyond its ability to pay such debts as they mature (taking into account the timing and amounts of cash to be payable on or in respect of its debt). The Company has no knowledge of any facts or circumstances which lead it to believe that it will file for reorganization or liquidation under the bankruptcy or reorganization laws of any jurisdiction within six months from the Closing Date. Schedule 3.1(aa) sets forth as of the date hereof all outstanding secured and unsecured Indebtedness of the Company or any Subsidiary, or for which the Company or any Subsidiary has commitments. For the purposes of this Agreement, "Indebtedness" means (x) any liabilities for borrowed money or amounts owed in excess of \$300,000 (other than trade accounts payable incurred in the ordinary course of business), (y) all guaranties, endorsements and other contingent obligations in respect of indebtedness of others, whether or not the same are or should be reflected in the Company's consolidated balance sheet (or the notes thereto), except guaranties by endorsement of negotiable instruments for deposit or collection or similar transactions in the ordinary course of business; and (z) the present value of any lease payments in excess of \$50,000 due under leases required to be capitalized in accordance with GAAP. Neither the Company nor any Subsidiary is in default with respect to any Indebtedness.

Except for matters that would not, individually or in the aggregate, have or reasonably be expected to result in a Material Adverse Effect, the Company and its Subsidiaries each (i) has made or filed all United States federal, state and local income and all foreign income and franchise tax returns, reports and declarations required by any jurisdiction to which it is subject, (ii) has paid all taxes and other governmental assessments and charges that are material in amount, shown or determined to be due on such returns, reports and declarations and (iii) has set aside on its books provision reasonably adequate for the payment of all material taxes for periods subsequent to the periods to which such returns, reports or declarations apply. There are no unpaid taxes in any material amount claimed to be due by the taxing authority of any jurisdiction, and the officers of the Company or of any Subsidiary know of no basis for any such claim.

(dd) Foreign Corrupt Practices. Neither the Company nor any Subsidiary, nor to the knowledge of the Company or any Subsidiary, any agent or other person acting on behalf of the Company or any Subsidiary, has (i) directly or indirectly, used any funds for unlawful contributions, gifts, entertainment or other unlawful expenses related to foreign or domestic political activity, (ii) made any unlawful payment to foreign or domestic government officials or employees or to any foreign or domestic political parties or campaigns from corporate funds, (iii) failed to disclose fully any contribution made by the Company or any Subsidiary (or made by any person acting on its behalf of which the Company is aware) which is in violation of law, or (iv) violated in any material respect any provision of FCPA.

(ee) Accountants. The Company's registered independent accounting firm is Cherry Bekaert LLP. To the knowledge and belief of the Company, such accounting firm is a registered public accounting firm as required by the Exchange Act.

(ff) Acknowledgment Regarding Purchasers' Purchase of Shares. The Company acknowledges and agrees that each of the Purchasers is acting solely in the capacity of an arm's length purchaser with respect to the Transaction Documents and the transactions contemplated thereby. The Company further acknowledges that no Purchaser is acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to the Transaction Documents and the transactions contemplated thereby and any advice given by any Purchaser or any of their respective representatives or agents in connection with the Transaction Documents and the transactions contemplated thereby is merely incidental to the Purchasers' purchase of the Shares. The Company further represents to each Purchaser that the Company's decision to enter into this Agreement and the other Transaction Documents has been based solely on the independent evaluation of the transactions contemplated hereby by the Company and its representatives.

(gg) Acknowledgment Regarding Purchaser's Trading Activity. Anything in this Agreement or elsewhere herein to the contrary notwithstanding (except for Sections 3.2(f) and 4.13 hereof), it is understood and acknowledged by the Company that: (i) none of the Purchasers has been asked by the Company to agree, nor has any Purchaser agreed, to desist from purchasing or selling, long and/or short, securities of the Company, or "derivative" securities based on securities issued by the Company or to hold the Shares for any specified term; (ii) past or future open market or other transactions by any Purchaser, specifically including, without limitation, Short Sales or "derivative" transactions, before or after the closing of this or future private placement transactions, may negatively impact the market price of the Company's publicly-traded securities; (iii) any Purchaser, and counter-parties in "derivative" transactions to which any such Purchaser is a party, directly or indirectly, presently may have a "short" position in the Common Stock, and (iv) each Purchaser shall not be deemed to have any affiliation with or control over any arm's length counter-party in any "derivative" transaction. The Company further understands and acknowledges that (y) one or more Purchasers may engage in hedging activities at various times during the period that the Shares are outstanding, and (z) such hedging activities (if any) could reduce the value of the existing stockholders' equity interests in the Company at and after the time that the hedging activities are being conducted. The Company acknowledges that such aforementioned hedging activities do not constitute a breach of any of the Transaction Documents.

(hh) Reserved.

(ii) Stock Option Plans. Each stock option granted by the Company under the Company's stock option plan was granted (i) in accordance with the terms of the Company's stock option plan and (ii) with an exercise price at least equal to the fair market value of the Common Stock on the date such stock option would be considered granted under GAAP and applicable law. No stock option granted under the Company's stock option plan has been backdated. The Company has not knowingly granted, and there is no and has been no Company policy or practice to knowingly grant, stock options prior to the release or other public announcement of material information regarding the Company or its Subsidiaries or their financial results or prospects.

(jj) Office of Foreign Assets Control. Neither the Company nor any Subsidiary nor, to the Company's knowledge, any director, officer, agent, employee or Affiliate of the Company or any Subsidiary is currently subject to any U.S. sanctions administered by the Office of Foreign Assets Control of the U.S. Treasury Department ("OFAC").

(kk) U.S. Real Property Holding Corporation. The Company is not and has never been a U.S. real property holding corporation within the meaning of Section 897 of the Internal Revenue Code of 1986, as amended, and the Company shall so certify upon Purchaser's request.

(ll) Bank Holding Company Act. Neither the Company nor any of its Subsidiaries or Affiliates is subject to the Bank Holding Company Act of 1956, as amended (the "BHCA") and to regulation by the Board of Governors of the Federal Reserve System (the "Federal Reserve"). Neither the Company nor any of its Subsidiaries or Affiliates owns or controls, directly or indirectly, five percent (5%) or more of the outstanding shares of any class of voting securities or twenty-five percent or more of the total equity of a bank or any entity that is subject to the BHCA and to regulation by the Federal Reserve. Neither the Company nor any of its Subsidiaries or Affiliates exercises a controlling influence over the management or policies of a bank or any entity that is subject to the BHCA and to regulation by the Federal Reserve.

(mm) Money Laundering. The operations of the Company and its Subsidiaries are and have been conducted at all times in compliance with applicable financial record-keeping and reporting requirements of the Currency and Foreign Transactions Reporting Act of 1970, as amended, applicable money laundering statutes and applicable rules and regulations thereunder (collectively, the "Money Laundering Laws"), and no Action or Proceeding by or before any court or governmental agency, authority or body or any arbitrator involving the Company or any Subsidiary with respect to the Money Laundering Laws is pending or, to the knowledge of the Company or any Subsidiary, threatened.

3.2 Representations and Warranties of the Purchasers. Each Purchaser, for itself and for no other Purchaser, hereby represents and warrants as of the date hereof and as of the Closing Date to the Company as follows (unless as of a specific date therein, in which case they shall be accurate as of such date):

(a) Organization; Authority. Such Purchaser is either an individual or an entity duly incorporated or formed, validly existing and in good standing under the laws of the jurisdiction of its incorporation or formation with full right, corporate, partnership, limited liability company or similar power and authority to enter into and to consummate the transactions contemplated by the Transaction Documents and otherwise to carry out its obligations hereunder and thereunder. The execution and delivery of the Transaction Documents and performance by such Purchaser of the transactions contemplated by the Transaction Documents have been duly authorized by all necessary corporate, partnership, limited liability company or similar action, as applicable, on the part of such Purchaser. Each Transaction Document to which it is a party has been duly executed by such Purchaser, and when delivered by such Purchaser in accordance with the terms hereof, will constitute the valid and legally binding obligation of such Purchaser, enforceable against it in accordance with its terms, except: (i) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies and (iii) insofar as indemnification and contribution provisions may be limited by applicable law.

(b) Understandings or Arrangements. Such Purchaser is acquiring the Shares as principal for its own account and has no direct or indirect arrangement or understandings with any other persons to distribute or regarding the distribution of such Shares (this representation and warranty not limiting such Purchaser's right to sell the Shares pursuant to the Registration Statement, Prospectus, Prospectus Supplement or otherwise in compliance with applicable federal and state securities laws). Such Purchaser is acquiring the Shares hereunder in the ordinary course of its business.

(c) Purchaser Status. At the time such Purchaser was offered the Shares, it was, and as of the date hereof it is, either: (i) an “accredited investor” as defined in Rule 501(a)(1), (a)(2), (a)(3), (a)(7) or (a)(8) under the Securities Act or (ii) a “qualified institutional buyer” as defined in Rule 144A(a) under the Securities Act.

(d) Experience of Such Purchaser. Such Purchaser, either alone or together with its representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of evaluating the merits and risks of the prospective investment in the Shares, and has so evaluated the merits and risks of such investment. Such Purchaser is able to bear the economic risk of an investment in the Shares and, at the present time, is able to afford a complete loss of such investment.

(e) Access to Information. Such Purchaser acknowledges that it has had the opportunity to review the Transaction Documents (including all exhibits and schedules thereto) and the SEC Reports and has been afforded, (i) the opportunity to ask such questions as it has deemed necessary of, and to receive answers from, representatives of the Company concerning the terms and conditions of the offering of the Shares and the merits and risks of investing in the Shares; (ii) access to information about the Company and its financial condition, results of operations, business, properties, management and prospects sufficient to enable it to evaluate its investment; and (iii) the opportunity to obtain such additional information that the Company possesses or can acquire without unreasonable effort or expense that is necessary to make an informed investment decision with respect to the investment. Such Purchaser acknowledges and agrees that neither the Placement Agent nor any Affiliate of the Placement Agent has provided such Purchaser with any information or advice with respect to the Shares nor is such information or advice necessary or desired. Neither the Placement Agent nor any Affiliate has made or makes any representation as to the Company or the quality of the Shares and the Placement Agent and any Affiliate may have acquired non-public information with respect to the Company which such Purchaser agrees need not be provided to it. In connection with the issuance of the Shares to such Purchaser, neither the Placement Agent nor any of its Affiliates has acted as a financial advisor or fiduciary to such Purchaser.

(f) Certain Transactions and Confidentiality. Other than consummating the transactions contemplated hereunder, such Purchaser has not, nor has any Person acting on behalf of or pursuant to any understanding with such Purchaser, directly or indirectly executed any purchases or sales, including Short Sales, of the securities of the Company during the period commencing as of the time that the Company or any other Person representing the Company first contacted the Purchaser regarding the material pricing terms of the transactions contemplated hereunder and ending immediately prior to the execution hereof. Notwithstanding the foregoing, in the case of a Purchaser that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Purchaser’s assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Purchaser’s assets, the representation set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Shares covered by this Agreement. Other than to other Persons party to this Agreement or to such Purchaser’s representatives, including, without limitation, its officers, directors, partners, legal and other advisors, employees, agents and Affiliates, such Purchaser has maintained the confidentiality of all disclosures made to it in connection with this transaction (including the existence and terms of this transaction). Notwithstanding the foregoing, for the avoidance of doubt, nothing contained herein shall constitute a representation or warranty, or preclude any actions, with respect to locating or borrowing shares in order to effect Short Sales or similar transactions in the future.

(g) General Solicitation. Such Purchaser is not purchasing the Shares as a result of any advertisement, article, notice or other communication regarding the Shares published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or, to the knowledge of such Purchaser, any other general solicitation or general advertisement. Such Purchaser has a substantive pre-existing relationship with the Placement Agent.

The Company acknowledges and agrees that the representations contained in this Section 3.2 shall not modify, amend or affect such Purchaser's right to rely on the Company's representations and warranties contained in this Agreement or any representations and warranties contained in any other Transaction Document or any other document or instrument executed and/or delivered in connection with this Agreement or the consummation of the transactions contemplated hereby. Notwithstanding the foregoing, for the avoidance of doubt, nothing contained herein shall constitute a representation or warranty, or preclude any actions, with respect to locating or borrowing shares in order to effect Short Sales or similar transactions in the future.

ARTICLE IV.
OTHER AGREEMENTS OF THE PARTIES

4.1 Legends. The Shares shall be issued free of legends.

4.2 Furnishing of Information. Until the earlier of the time that (i) no Purchaser owns Shares or (ii) the first anniversary of the Closing Date, the Company covenants to timely file (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to the Exchange Act even if the Company is not then subject to the reporting requirements of the Exchange Act.

4.3 Integration. The Company shall not sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that would be integrated with the offer or sale of the Shares for purposes of the rules and regulations of any Trading Market such that it would require shareholder approval prior to the closing of such other transaction unless shareholder approval is obtained before the closing of such subsequent transaction.

4.4 Securities Laws Disclosure; Publicity. The Company shall (a) by 9:00 a.m. on November 22, 2023, issue a press release disclosing the material terms of the transactions contemplated hereby, and (b) file a Current Report on Form 8-K, including the Transaction Documents as exhibits thereto, with the Commission within the time required by the Exchange Act. From and after the issuance of such press release, the Company represents to the Purchasers that it shall have publicly disclosed all material, non-public information delivered to any of the Purchasers by the Company or any of its Subsidiaries, or any of their respective officers, directors, employees or agents in connection with the transactions contemplated by the Transaction Documents. In addition, effective upon the issuance of such press release, the Company acknowledges and agrees that any and all confidentiality or similar obligations under any agreement, whether written or oral, between the Company, any of its Subsidiaries or any of their respective officers, directors, agents, employees or Affiliates on the one hand, and any of the Purchasers or any of their Affiliates on the other hand, shall terminate. The Company and the Placement Agent shall consult with each other in issuing any other press releases with respect to the transactions contemplated hereby, and neither the Company nor the Placement Agent shall issue any such press release nor otherwise make any such public statement without the prior consent of the Company, with respect to any press release of the Placement Agent, or without the prior consent of the Placement Agent, with respect to any press release of the Company, which consent shall not unreasonably be withheld or delayed, except if such disclosure is required by law, in which case the disclosing party shall promptly provide the other party with prior notice of such public statement or communication. Notwithstanding the foregoing, the Company shall not publicly disclose the name of any Purchaser, or include the name of any Purchaser in any filing with the Commission or any regulatory agency or Trading Market, without the prior written consent of such Purchaser, except (a) as required by federal securities law in connection with the filing of final Transaction Documents with the Commission and (b) to the extent such disclosure is required by law or regulation, Trading Market or FINRA rules or regulations, in which case the Company shall provide the Placement Agent with prior notice of such disclosure permitted under this clause

4.5 Shareholder Rights Plan. No claim will be made or enforced by the Company or, with the consent of the Company, any other Person, that any Purchaser is an "Acquiring Person" under any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or similar anti-takeover plan or arrangement in effect or hereafter adopted by the Company, or that any Purchaser could be deemed to trigger the provisions of any such plan or arrangement, by virtue of receiving Shares under the Transaction Documents or under any other agreement between the Company and the Purchasers.

4.6 Non-Public Information. Except with respect to the material terms and conditions of the transactions contemplated by the Transaction Documents, which shall be disclosed pursuant to Section 4.4, the Company covenants and agrees that neither it, nor any other Person acting on its behalf will provide any Purchaser or its agents or counsel with any information that constitutes, or the Company reasonably believes constitutes, material non-public information, unless prior thereto such Purchaser shall have consented to the receipt of such information and agreed with the Company to keep such information confidential. The Company understands and confirms that each Purchaser shall be relying on the foregoing covenant in effecting transactions in securities of the Company. To the extent that the Company, any of its Subsidiaries, or any of their respective officers, directors, agents, employees or Affiliates delivers any material, non-public information to a Purchaser without such Purchaser's consent, the Company hereby covenants and agrees that such Purchaser shall not have any duty of confidentiality to the Company, any of its Subsidiaries, or any of their respective officers, directors, agents, employees or Affiliates, or a duty to the Company, any of its Subsidiaries or any of their respective officers, directors, agents, employees or Affiliates not to trade on the basis of, such material, non-public information, provided that the Purchaser shall remain subject to applicable law. To the extent that any notice provided pursuant to any Transaction Document constitutes, or contains, material, non-public information regarding the Company or any Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K. The Company understands and confirms that each Purchaser shall be relying on the foregoing covenant in effecting transactions in securities of the Company.

4.7 Use of Proceeds. The Company shall use the net proceeds from the sale of the Shares hereunder for working capital purposes and shall not use such proceeds: (a) for the satisfaction of any portion of the Company's debt (other than payment of trade payables, accrued expenses and amounts due to employees or contractors in the ordinary course of the Company's business and prior practices), (b) for the redemption of any Common Stock or Common Stock Equivalents, (c) for the settlement of any outstanding litigation or (d) in violation of FCPA or OFAC regulations.

4.8 Indemnification of Purchasers. Subject to the provisions of this Section 4.8, the Company will indemnify and hold each Purchaser and its directors, officers, shareholders, members, partners, employees and agents (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title), each Person who controls such Purchaser (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, shareholders, agents, members, partners or employees (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title) of such controlling persons (each, a “Purchaser Party”) harmless from any and all losses, liabilities, obligations, claims, contingencies, damages, costs and expenses, including all judgments, amounts paid in settlements, court costs and reasonable attorneys’ fees and costs of investigation that any such Purchaser Party may suffer or incur as a result of or relating to (a) any breach of any of the representations, warranties, covenants or agreements made by the Company in this Agreement or in the other Transaction Documents or (b) any action instituted against the Purchaser Parties in any capacity, or any of them or their respective Affiliates, by any stockholder of the Company who is not an Affiliate of such Purchaser Party, with respect to any of the transactions contemplated by the Transaction Documents (unless such action is solely based upon a material breach of such Purchaser Party’s representations, warranties or covenants under the Transaction Documents or any agreements or understandings such Purchaser Party may have with any such stockholder or any violations by such Purchaser Party of state or federal securities laws or any conduct by such Purchaser Party which is finally judicially determined to constitute fraud, gross negligence or willful misconduct), the Company will indemnify each Purchaser Party, to the fullest extent permitted by applicable law, from and against any and all losses, claims, damages, liabilities, costs (including, without limitation, reasonable attorneys’ fees) and expenses, as incurred, arising out of or relating to (i) any untrue or alleged untrue statement of a material fact contained in such registration statement, any prospectus or any form of prospectus or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or relating to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading, except to the extent, but only to the extent, that such untrue statements or omissions are based solely upon information regarding such Purchaser Party furnished in writing to the Company by such Purchaser Party expressly for use therein, or (ii) any violation or alleged violation by the Company of the Securities Act, the Exchange Act or any state securities law, or any rule or regulation thereunder in connection therewith. If any action shall be brought against any Purchaser Party in respect of which indemnity may be sought pursuant to this Agreement, such Purchaser Party shall promptly notify the Company in writing, and the Company shall have the right to assume the defense thereof with counsel of its own choosing reasonably acceptable to the Purchaser Party. Any Purchaser Party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Purchaser Party except to the extent that (x) the employment thereof has been specifically authorized by the Company in writing, (y) the Company has failed after a reasonable period of time to assume such defense and to employ counsel or (z) in such action there is, in the reasonable opinion of counsel, a material conflict on any material issue between the position of the Company and the position of such Purchaser Party, in which case the Company shall be responsible for the reasonable fees and expenses of no more than one such separate counsel. The Company will not be liable to any Purchaser Party under this Agreement (1) for any settlement by a Purchaser Party effected without the Company’s prior written consent, which shall not be unreasonably withheld or delayed; or (2) to the extent, but only to the extent that a loss, claim, damage or liability is attributable to any Purchaser Party’s breach of any of the representations, warranties, covenants or agreements made by such Purchaser Party in this Agreement or in the other Transaction Documents. The indemnification required by this Section 4.8 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or are incurred. The indemnity agreements contained herein shall be in addition to any cause of action or similar right of any Purchaser Party against the Company or others and any liabilities the Company may be subject to pursuant to law.

4.9 Reservation of Common Stock. As of the date hereof, the Company has reserved and the Company shall continue to reserve and keep available at all times, free of preemptive rights, a sufficient number of shares of Common Stock for the purpose of enabling the Company to issue Shares pursuant to this Agreement.

4.10 Listing of Common Stock. (a) The Company hereby agrees to use best efforts to maintain the listing or quotation of the Common Stock on the Trading Market on which it is currently listed, and concurrently with the Closing, the Company shall apply to list or quote all of the Shares on such Trading Market and promptly secure the listing of all of the Shares on such Trading Market. The Company further agrees, if the Company applies to have the Common Stock traded on any other Trading Market, it will then include in such application all of the Shares, and will take such other action as is necessary to cause all of the Shares to be listed or quoted on such other Trading Market as promptly as possible. The Company will then take all action reasonably necessary to continue the listing and trading of its Common Stock on a Trading Market and will comply in all respects with the Company's reporting, filing and other obligations under the bylaws or rules of the Trading Market. The Company agrees to maintain the eligibility of the Common Stock for electronic transfer through the Depository Trust Company or another established clearing corporation, including, without limitation, by timely payment of fees to the Depository Trust Company or such other established clearing corporation in connection with such electronic transfer.

4.11 Subsequent Equity Sales.

(a) From the date hereof until forty-five (45) days after the Closing Date neither the Company nor any Subsidiary shall issue, enter into any agreement to issue or announce the issuance or proposed issuance of any shares of Common Stock or Common Stock Equivalents, without the prior approval of not less than 50.1 % of the holders in interest of the Shares based on the initial Subscription Amounts hereunder, which approval shall not be unreasonably withheld or delayed.

(b) For a period from the date hereof until six months from the Closing Date, the Company shall be prohibited from effecting or entering into an agreement to effect any issuance by the Company or any of its Subsidiaries of Common Stock or Common Stock Equivalents (or a combination of units thereof) involving a Variable Rate Transaction. "Variable Rate Transaction" means a transaction in which the Company (i) issues or sells any debt or equity securities that are convertible into, exchangeable or exercisable for, or include the right to receive additional shares of Common Stock either (A) at a conversion price, exercise price or exchange rate or other price that is based upon and/or varies with the trading prices of or quotations for the shares of Common Stock at any time after the initial issuance of such debt or equity securities, or (B) with a conversion, exercise or exchange price that is subject to being reset at some future date after the initial issuance of such debt or equity security or upon the occurrence of specified or contingent events directly or indirectly related to the business of the Company or the market for the Common Stock or (ii) enters into, or effects a transaction under, any agreement, including, but not limited to, an equity line of credit or at-the-market offering, whereby the Company may issue securities at a future determined price. Any Purchaser shall be entitled to obtain injunctive relief against the Company to preclude any such issuance, which remedy shall be in addition to any right to collect damages.

(c) Notwithstanding the foregoing, this Section 4.11 shall not apply in respect of (i) an Exempt Issuance, except that no Variable Rate Transaction shall be an Exempt Issuance.

4.12 Equal Treatment of Purchasers. No consideration (including any modification of any Transaction Document) shall be offered or paid to any Person to amend or consent to a waiver or modification of any provision of the Transaction Documents unless the same consideration is also offered to all of the parties to the Transaction Documents. For clarification purposes, this provision constitutes a separate right granted to each Purchaser by the Company and negotiated separately by each Purchaser, and is intended for the Company to treat the Purchasers as a class and shall not in any way be construed as the Purchasers acting in concert or as a group with respect to the purchase, disposition or voting of Shares or otherwise.

4.13 Certain Transactions and Confidentiality. Each Purchaser, severally and not jointly with the other Purchasers, covenants that neither it nor any Affiliate acting on its behalf or pursuant to any understanding with it will execute any purchases or sales, including Short Sales of any of the Company's securities during the period commencing with the execution of this Agreement and ending at such time that the transactions contemplated by this Agreement are first publicly announced pursuant to the initial press release as described in Section 4.4. Each Purchaser, severally and not jointly with the other Purchasers, covenants that until such time as the transactions contemplated by this Agreement are publicly disclosed by the Company pursuant to the initial press release as described in Section 4.4, such Purchaser will maintain the confidentiality of the existence and terms of this transaction and the information included in the Disclosure Schedules. Notwithstanding the foregoing and notwithstanding anything contained in this Agreement to the contrary, the Company expressly acknowledges and agrees that (i) no Purchaser makes any representation, warranty or covenant hereby that it will not engage in effecting transactions in any securities of the Company after the time that the transactions contemplated by this Agreement are first publicly announced pursuant to the initial press release as described in Section 4.4, (ii) no Purchaser shall be restricted or prohibited from effecting any transactions in any securities of the Company in accordance with applicable securities laws from and after the time that the transactions contemplated by this Agreement are first publicly announced pursuant to the initial press release as described in Section 4.4 and (iii) no Purchaser shall have any duty of confidentiality or duty not to trade in the securities of the Company to the Company or its Subsidiaries after the issuance of the initial press release as described in Section 4.4. Notwithstanding the foregoing, in the case of a Purchaser that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Purchaser's assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Purchaser's assets, the covenant set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Shares covered by this Agreement.

4.14 Lock-Up Agreements. The Company shall not amend, modify, waive or terminate any provision of any of the Lock-Up Agreements except to extend the term of the lock-up period and shall enforce the provisions of each Lock-Up Agreement in accordance with its terms. If any party to a Lock-Up Agreement breaches any provision of a Lock-Up Agreement, the Company shall promptly use its best efforts to seek specific performance of the terms of such Lock-Up Agreement.

ARTICLE V.
MISCELLANEOUS

5.1 Termination. This Agreement may be terminated by any Purchaser, as to such Purchaser's obligations hereunder only and without any effect whatsoever on the obligations between the Company and the other Purchasers, by written notice to the other parties, if the Closing has not been consummated on or before the fifth (5th) Trading Day following the date hereof; provided, however, that no such termination will affect the right of any party to sue for any breach by any other party (or parties).

5.2 Fees and Expenses. Except as expressly set forth in the Transaction Documents to the contrary, each party shall pay the fees and expenses of its advisers, counsel, accountants and other experts, if any, and all other expenses incurred by such party incident to the negotiation, preparation, execution, delivery and performance of this Agreement. The Company shall pay all Transfer Agent fees (including, without limitation, any fees required for same-day processing of any instruction letter delivered by the Company, stamp taxes and other taxes and duties levied in connection with the delivery of any Shares to the Purchasers.

5.3 Entire Agreement. The Transaction Documents, together with the exhibits and schedules thereto, the Prospectus and the Prospectus Supplement, contain the entire understanding of the parties with respect to the subject matter hereof and thereof and supersede all prior agreements and understandings, oral or written, with respect to such matters, which the parties acknowledge have been merged into such documents, exhibits and schedules.

5.4 Notices. Any and all notices or other communications or deliveries required or permitted to be provided hereunder shall be in writing and shall be deemed given and effective on the earliest of: (a) the time of transmission, if such notice or communication is delivered via facsimile at the facsimile number or email attachment at the email address as set forth on the signature pages attached hereto at or prior to 5:30 p.m. (New York City time) on a Trading Day, (b) the next Trading Day after the time of transmission, if such notice or communication is delivered via facsimile at the facsimile number or email attachment at the email address as set forth on the signature pages attached hereto on a day that is not a Trading Day or later than 5:30 p.m. (New York City time) on any Trading Day, (c) the second (2nd) Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service or (d) upon actual receipt by the party to whom such notice is required to be given. The address for such notices and communications shall be as set forth on the signature pages attached hereto. To the extent that any notice provided pursuant to any Transaction Document constitutes, or contains, material, non- public information regarding the Company or any Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K.

5.5 Amendments; Waivers. No provision of this Agreement may be waived, modified, supplemented or amended except in a written instrument signed, in the case of an amendment, by the Company and Purchasers which purchased at least 50.1% in interest of the Shares, based on the initial Subscription Amounts hereunder or, in the case of a waiver, by the party against whom enforcement of any such waived provision is sought, provided that if any amendment, modification or waiver disproportionately and adversely impacts a Purchaser (or group of Purchasers), the consent of such disproportionately impacted Purchaser (or group of Purchasers) shall also be required. No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of any party to exercise any right hereunder in any manner impair the exercise of any such right. Any proposed amendment or waiver that disproportionately, materially and adversely affects the rights and obligations of any Purchaser relative to the comparable rights and obligations of the other Purchasers shall require the prior written consent of such adversely affected Purchaser. Any amendment effected in accordance with this Section 5.5 shall be binding upon each Purchaser and holder of Shares and the Company.

5.6 Headings. The headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof.

5.7 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns. The Company may not assign this Agreement or any rights or obligations hereunder without the prior written consent of each Purchaser (other than by merger). Any Purchaser may assign any or all of its rights under this Agreement to any Person to whom such Purchaser assigns or transfers any Shares, provided that such transferee agrees in writing to be bound, with respect to the transferred Shares, by the provisions of the Transaction Documents that apply to the "Purchasers."

5.8 No Third-Party Beneficiaries. The Placement Agent shall be a third party beneficiary of the representations and warranties of the Company in Section 3.1 and the representations and warranties of the Purchasers in Section 3.2. This Agreement is intended for the benefit of the parties hereto and their respective successors and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other Person, except as otherwise set forth in Section 4.8 and this Section 5.8.

5.9 Governing Law. All questions concerning the construction, validity, enforcement and interpretation of the Transaction Documents shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflicts of law thereof. Each party agrees that all legal Proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Agreement and any other Transaction Documents (whether brought against a party hereto or its respective affiliates, directors, officers, shareholders, partners, members, employees or agents) shall be commenced exclusively in the state and federal courts sitting in the City of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the City of New York, Borough of Manhattan for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of any of the Transaction Documents), and hereby irrevocably waives, and agrees not to assert in any Action or Proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such Action or Proceeding is improper or is an inconvenient venue for such Proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such Action or Proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. If any party shall commence an Action or Proceeding to enforce any provisions of the Transaction Documents, then, in addition to the obligations of the Company under Section 4.8, the prevailing party in such Action or Proceeding shall be reimbursed by the non-prevailing party for its reasonable attorneys' fees and other costs and expenses incurred with the investigation, preparation and prosecution of such Action or Proceeding.

5.10 Survival. The representations and warranties contained herein shall survive the Closing and the delivery of the Shares.

5.11 Execution. This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to each other party, it being understood that the parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, or by electronic signature such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page or electronic signature were an original thereof.

5.12 Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their commercially reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

5.13 Rescission and Withdrawal Right. Notwithstanding anything to the contrary contained in (and without limiting any similar provisions of) any of the other Transaction Documents, whenever any Purchaser exercises a right, election, demand or option under a Transaction Document and the Company does not timely perform its related obligations within the periods therein provided, then such Purchaser may rescind or withdraw, in its sole discretion from time to time upon written notice to the Company, any relevant notice, demand or election in whole or in part without prejudice to its future actions and rights.

5.14 Remedies. In addition to being entitled to exercise all rights provided herein or granted by law, including recovery of damages, each of the Purchasers and the Company will be entitled to specific performance under the Transaction Documents. The parties agree that monetary damages may not be adequate compensation for any loss incurred by reason of any breach of obligations contained in the Transaction Documents and hereby agree to waive and not to assert in any Action for specific performance of any such obligation the defense that a remedy at law would be adequate.

5.15 Payment Set Aside. To the extent that the Company makes a payment or payments to any Purchaser pursuant to any Transaction Document or a Purchaser enforces or exercises its rights thereunder, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, disgorged by or are required to be refunded, repaid or otherwise restored to the Company, a trustee, receiver or any other Person under any law (including, without limitation, any bankruptcy law, state or federal law, common law or equitable cause of action), then to the extent of any such restoration the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

5.16 Independent Nature of Purchasers' Obligations and Rights. The obligations of each Purchaser under any Transaction Document are several and not joint with the obligations of any other Purchaser, and no Purchaser shall be responsible in any way for the performance or non-performance of the obligations of any other Purchaser under any Transaction Document. Nothing contained herein or in any other Transaction Document, and no action taken by any Purchaser pursuant hereto or thereto, shall be deemed to constitute the Purchasers as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Purchasers are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by the Transaction Documents. Each Purchaser shall be entitled to independently protect and enforce its rights including, without limitation, the rights arising out of this Agreement or out of the other Transaction Documents, and it shall not be necessary for any other Purchaser to be joined as an additional party in any Proceeding for such purpose. Each Purchaser has been represented by its own separate legal counsel in its review and negotiation of the Transaction Documents. For reasons of administrative convenience only, each Purchaser and its respective counsel have chosen to communicate with the Company through Sichenzia Ross Ference Carmel LLP ("Placement Agent Counsel"), with offices located at 1185 Avenue of the Americas, 31st Floor, New York, NY 10036. Placement Agent Counsel does not represent any of the Purchasers and only represents the Placement Agent. The Company has elected to provide all Purchasers with the same terms and Transaction Documents for the convenience of the Company and not because it was required or requested to do so by any of the Purchasers. It is expressly understood and agreed that each provision contained in this Agreement and in each other Transaction Document is between the Company and a Purchaser, solely, and not between the Company and the Purchasers collectively and not between and among the Purchasers.

5.17 Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then such action may be taken or such right may be exercised on the next succeeding Business Day.

5.18 Construction. The parties agree that each of them and/or their respective counsel have reviewed and had an opportunity to revise the Transaction Documents and, therefore, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of the Transaction Documents or any amendments thereto. In addition, each and every reference to share prices and shares of Common Stock in any Transaction Document shall be subject to adjustment for reverse and forward stock splits, stock dividends, stock combinations and other similar transactions of the Common Stock that occur after the date of this Agreement.

5.19 WAIVER OF JURY TRIAL. IN ANY ACTION, SUIT, OR PROCEEDING IN ANY JURISDICTION BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY, THE PARTIES EACH KNOWINGLY AND INTENTIONALLY, TO THE GREATEST EXTENT PERMITTED BY APPLICABLE LAW, HEREBY ABSOLUTELY, UNCONDITIONALLY, IRREVOCABLY AND EXPRESSLY WAIVES FOREVER TRIAL BY JURY.

Denver, CO 80203

Dear Mr. Daguro,

This letter agreement (this “**Agreement**”) shall confirm the engagement of Madison Global Partners, LLC, a FINRA member (the “**Advisor**”), as non-exclusive advisor and agent to authID Inc. (the “**Company**”), to perform the corporate finance advisory and related services provided for herein. The Company, as defined herein, shall include authID Inc., its subsidiaries, affiliates and any entities it may form, merge into, be acquired by, or invest in. Unless this Agreement is cancelled by either party pursuant to the terms hereof, the term of this Agreement shall run from the date of receipt by Advisor of the Company’s signed acceptance of this Agreement, until six (6) months thereafter, and will then automatically extend on a month-to-month basis thereafter (“**Term**”). Additionally, the Advisor represents and warrants that it is a registered broker-dealer under the U.S. Securities Exchange Act of 1934 (the “**Exchange Act**”). This Agreement may be terminated by either party as provided in the paragraph entitled “Termination of Agreement.”

I. Scope of Services:

The corporate advisory and agency services that may be performed by the Advisor relate to the types of Transactions (as defined below) with any individual or entity introduced or identified by or on behalf of Advisor or who is in contact with or is contacted by Advisor during the Term (individually or collectively, a “**Covered Party**”). For the avoidance of doubt, Covered Party will also include all investors from the August 2021, March 2022 and May 2023 financings, as well as officers and directors of the Company and parties referred to Advisor by the Company or Covered Party.

In connection with this engagement, Advisor will provide the Company with financial advice and assistance in connection with a potential Transaction(s) (as defined below), including, all services as the Company and Advisor mutually determine to be appropriate as described below in the “Description of Services” section of this Agreement.

This Agreement does not constitute a legal or binding commitment by the Advisor to purchase any securities of the Company or introduce the Company to any third party, nor does this Agreement constitute a representation or warranty on the part of the Advisor that any Transactions will be consummated. The Company acknowledges and agrees that the Advisor is only required to use its “commercially reasonable efforts” in connection with its activities hereunder, which Advisor will, in its sole discretion, determine.

As used in this Agreement, the term “**Transaction**” shall include, but specifically not be limited to or by:

- (a) (i) an offering and sale of registered securities in a follow-on offering or pursuant to the Company’s existing shelf registration statement and/or (ii) a private offering and sale by the Company, in either or both cases to one or more Covered Parties who are “accredited investors” as defined in Rule 501 of Regulation D under the Securities Act, conducted as either a registered offering or a private placement pursuant to Rule 506(b) or (c) of Regulation D promulgated under the Securities Act of 1933, as amended (the “Securities Act”) or pursuant to other applicable U.S. or foreign securities laws, rules and regulations, or any registered offering and sale of Company securities in which the Advisor acts an underwriter or placement agent on a best efforts basis including, without, limitation, a placement of equity, equity-linked, debt (including notes, bonds or other debt securities, as well as loans provided by financial institutions that are not deemed to be “securities” under applicable law), convertible securities or other financial instruments in such amounts as the parties may agree upon (collectively, “**Securities**”)
- (b) a strategic alliance (a “**Strategic Alliance**”) that involves a definitive agreement with a Covered Party that may, either directly or indirectly, enter into any type of sales, marketing and/or management agreement that provides capital to the Company;

II. Description of Services:

The Advisor will, to the extent requested by the Company, assist the Company in analyzing potential Transactions according to the terms and conditions of this Agreement. In this regard, the Advisor may undertake certain activities on behalf of the Company, including the following:

- (a) analyzing Transaction options available to the Company;
 - (b) counseling the Company as to strategy and tactics for effecting one or more potential Transactions;

 - (g) assisting to identify, retain and work with an outside advisor on any valuation or fairness opinion that may be necessary; and
-

- (h) rendering such other customary financial advisory and investment banking services as may from time to time be agreed upon by the Company and the Advisor.

III. Non-Exclusivity:

Advisor agrees that this engagement is non-exclusive. No fee payable to any other financial legal, or other advisor either by the Company or any other entity shall reduce or otherwise affect the fees payable hereunder to Advisor, except as otherwise agreed to in writing by Advisor. In order to coordinate our efforts with respect to a possible Transaction, during the period of our engagement hereunder neither the Company nor any representative thereof (other than Advisor) will engage in discussions with a Covered Party regarding a Transaction except through Advisor but Advisor acknowledges that some Covered Parties are existing stockholders of Company and that Company will engage with its stockholders directly regarding a possible or eventual Transaction. If the Company or its management receives an inquiry regarding a Transaction, it will promptly inform Advisor in writing of such inquiry. For the avoidance of doubt nothing herein (ie any direct communication by Company with stockholders or other Covered Parties) shall affect Advisor's entitlement to receive Fees in respect of the participation by any Covered Party in a Transaction.

IV. Confidentiality:

Advisor is being retained to serve as financial advisor and financing agent solely to the Company, and it is agreed that the engagement of Advisor is not, and shall not be deemed to be, on behalf of, and is not intended to, and will not, confer rights or benefits upon any shareholder or creditor of the Company or upon any other person or entity. No one other than the Company is authorized to rely upon this engagement of Advisor or any statements, conduct or advice of Advisor, and no one other than the Company is intended to be a beneficiary of this engagement. All opinions, advice or other assistance (whether written or oral) given by Advisor in connection with this engagement are intended solely for the benefit and use of the Company and will be treated by the Company as confidential, and no opinion, advice or other assistance of Advisor shall be used for any other purpose or reproduced, disseminated, quoted or referred to at any time, in any manner or for any purpose, nor shall any public or other references to Advisor (or to such opinions, advice or other assistance) be made without the express prior written consent of Advisor. Advisor shall not provide any legal, accounting, regulatory or tax advice with respect to any Transaction, and the Company shall consult its own legal, accounting, regulatory and tax advisors to the extent the Company deems appropriate.

V. Closing:

The closing of a Transaction ("**Closing**") shall be deemed to occur on the date on which the Company receives or pays, or its shareholders receive, as applicable, the funds, securities or other consideration in respect of the Transaction (including, if applicable, in connection with any Transaction that has multiple closings or payments made over a period of time, the date of any such closings or payments being a "**Closing**" for purposes hereof).

VI. Information Furnished by the Company:

The Company agrees to furnish Advisor with all financial and other information and data as Advisor reasonably requests and believes appropriate in connection with its activities on the Company's behalf, and shall provide Advisor full access to its officers, directors, employees and professional advisors as appropriate. The Company agrees that it and its counsel will be solely responsible for ensuring that the Transaction complies in all respects with applicable law. The Company represents and warrants that any written or oral communication with Advisor at all times through Closing, will not contain any untrue statement of material fact or omit to state any material fact required to be stated therein or necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading. The Company will promptly notify Advisor if it learns of any material inaccuracy or misstatement in, or material omission from, any information theretofore delivered to Advisor. The Company recognizes and confirms that Advisor, in connection with performing its services hereunder, (i) will be relying without investigation upon all information that is available from public sources or supplied to it by or on behalf of the Company or its advisors, (ii) will not in any respect be responsible for the accuracy or completeness of, or have any obligation to verify, the same and (iii) will not conduct any appraisal of any assets of the Company. The Company will also cause to be furnished to Advisor at the Closing copies of such agreements, opinions, certificates and other documents delivered at the Closing as Advisor may reasonably request. With respect to any financial forecasts and projections made available to Advisor by or on behalf of the Company or any counterparty and used by Advisor in its analysis, Advisor shall be entitled to assume that such forecasts and projections have been reasonably prepared on bases reflecting the best currently available estimates and judgments of the management of the Company or such counterparty, as the case may be, as to the matters covered thereby. Advisor agrees to maintain the confidentiality of all confidential information including material non-public information provided to Advisor by Company and not to disclose or publish any information regarding the Company whether to Covered Parties, or otherwise which has not been previously approved by the Company in writing for disclosure.

VII. Waiver of Conflicts:

The Company acknowledges that Advisor and its affiliates have and will continue to have investment banking and other relationships with parties other than the Company pursuant to which Advisor may acquire information of interest to the Company. Advisor shall have no obligation to disclose such information to the Company, or to use such information in connection with any contemplated transaction.

Advisor and its affiliates are engaged in securities trading and brokerage activities as well as investment banking and financial advisory services. In the ordinary course of their trading and brokerage activities, Advisor and its affiliates may hold positions, for their own account or the account of customers, in equity, debt or other securities of the Company or any other company that may be involved in any Transaction. In addition, the Company acknowledges and agrees that Advisor and its affiliates may provide or offer to provide financing to third parties in connection with or related to a Transaction. Advisor will conduct such activities in accordance with its customary client confidentiality policies.

The Company recognizes that Advisor is being engaged hereunder to provide the services described above only to the Company and to all other parties, if any, who execute this Agreement in specified other capacities and is not acting as an agent or a fiduciary of, and shall have no duties or liability to, the equity holders of the Company, its stockholders or any third party in connection with its engagement hereunder, all of which are hereby expressly waived. No one other than the Company (and such other parties in such capacities, if any) is authorized to rely upon the engagement of Advisor hereunder or any statements, advice, opinions or conduct by Advisor.

Upon termination of this Agreement (as provided for in the "Termination of Agreement" section of this Agreement), the Company agrees to release Advisor with respect to the provision of future corporate finance services to any shareholder or affiliate of the Company or Covered Party. Such services may include, but not be limited to, those described in this Agreement.

VIII. Fees and Expenses:

With respect to the services rendered hereunder, the following describes the fees and expense reimbursements that the Company agrees to pay the Advisor:

- (a) (i) A one-time non-refundable cash retainer fee (“**Retainer Fee**”) of \$20,000 payable upon the signing of this Agreement, (ii) additional non-refundable Retainer Fee payments of \$10,000 payable monthly for the following 3 months after the date of signing of this Agreement, commencing one month after signing; and (iii) a one-time payment of \$30,000 payable at the closing of the first Transaction, in addition to the Transaction Fee.
- (b) A fee (a “**Transaction Fee**”) payable at the Closing of each respective Transaction that the Company and the Advisor consummates shall be in an amount as set forth in the below and the Schedules attached hereto:
- (i) In the event that the Company proceeds with a Private Placement, the Advisor will assist the Company with preparation of an information package, identify potential investors, and negotiate the terms and funding of the Transaction. At Closing of a Private Placement, the Company will pay the Advisor a cash fee equal to a percentage of the Placement Amount, or at the Advisor’s option, a percentage of the same security privately placed, according to **Schedule A** attached hereto, for equity (or securities convertible, exchangeable or redeemable into equity), also for mezzanine capital (includes non-convertible senior debt with an equity component or subordinated debt with or without an equity component).
- It is expressly agreed that the term “Placement Amount” shall include, and the Advisor shall be entitled to receive a Transaction Fee under this paragraph with respect to, all cash receipts actually received by the Company at any time from the exercise of warrants or options issued to Covered Parties pursuant to a Transaction;
- (ii) In the event that the Company proceeds with a Strategic Alliance during the Term, the Advisor will assist the Company with the analysis and negotiation of terms of a sale, marketing and/or management agreement, as the Company may require. At Closing of the Strategic Alliance, the Company will pay the Advisor a fee equal to a percentage of the value to the Company of the Strategic Alliance (“**Strategic Alliance Value**”), according to **Schedule A** attached hereto. Such Strategic Alliance Value shall include any capital investment made into the Company or entity owned in whole or part by the Company, and/or other items as may be mutually agreed upon in good faith by the parties hereto. The Company and the Advisor shall in good faith agree at Closing on the value of any such non-cash consideration that is included in the value of a Strategic Alliance;
- (c) Upon each closing of the sale or issuance of any securities, related to any of the aforementioned Transactions, the Company shall thereupon issue and sell, for \$0.0001 per Placement Warrant (as defined below), to the Advisor and/or its designees, five (5) year warrants to purchase such number of the same Securities issued in any of the aforementioned Transactions; or, at the Advisors option warrants exercisable into the Company’s common stock, as shall equal seven percent (7%) of the number of such US dollar value of Securities issued to Covered Parties, with an exercise price equal to the price paid by the investor(s) for the Securities; or, exercisable at (i) a price equal to the Transaction Value on a per share basis; or, (ii) if any warrants are issued as part of the Transaction, the strike price of any warrants received by the investor(s) or any Covered Party for the Securities, whichever is lower (the “Placement Warrant”). The Placement Warrant shall be in a usual and customary form reasonably acceptable to the Advisor and the Company. The Placement Warrants shall have substantially similar registration rights as are granted to the Covered Parties. This Agreement shall also entitle the Advisor to full, unconditional piggyback registration rights with customary holdback obligations. The Company agrees that, for a period of five (5) years from the date of the closing, if the Company intends to file a Registration Statement for the public sale of securities, and if so requested, it will include therein material to permit a public offering of the securities into which the Placement Warrants are exercisable at the expense of the Company. If the Company is a reporting company or is required to file periodic reports with the Securities and Exchange Commission, for a period of five (5) years upon written demand of the majority of the Placement Warrant holders, the Company agrees, on one occasion to promptly register the securities into which the Placement Warrants are exercisable at the expense of the Company. The Placement Warrant shall also contain a customary cashless exercise feature commencing six (6) months after issuance unless the underlying shares are registered for resale pursuant to an effective registration statement under the Securities Act.
-

- (d) Notwithstanding, any other fees, the Company agrees to promptly reimburse Advisor upon request from time to time and submission of appropriate substantiation, for all reasonable out-of-pocket expenses incurred by Advisor in connection with the matters contemplated by this Agreement, comprising, transportation, lodging and meals – to the extent incurred on travel undertaken at the request of the Company, legal counsel and other professional advisor fees and expenses incurred in connection with a Transaction. The Company shall not be required to reimburse Advisor for expenses in excess of \$60,000 in the aggregate without the Company’s consent in writing (which may be by email), which consent shall not be unreasonably withheld. Nothing in the preceding sentence shall in any way limit the Company’s obligations to Advisor.

IX. Termination of Agreement:

This Agreement may be terminated by either party upon thirty (30) days prior written notice to the other party, but only following the date which is sixty (60) days following the effective date of this Agreement. Termination shall be deemed effective on the earlier of thirty (30) days following that date of such written notice or as mutually agreed upon by Company and Advisor (“**Termination**”). The Advisor shall also have the right to terminate this Agreement after completion of its due diligence review of the Company. No termination or alleged termination of this Agreement shall effect the Advisor’s rights to receive a Transaction Fee to the extent earned prior to termination. In addition, promptly following any termination of this Agreement for any reason, the Company shall reimburse the Advisor for, or otherwise pay and bear, the reasonable expenses and fees to be paid and borne by the Company as provided for and subject to the provisions of the “Fees and Expenses” section above.

X. Future Transaction:

Notwithstanding anything to the contrary herein, if any Covered Party (or their respective affiliates) consummates a Transaction with the Company where Advisor is not the financial advisor, at any time within twelve (12) months of the earlier of (a) the final Closing of a Transaction hereunder, or (b) Termination or expiration of the Term, as extended, if extended, the Company agrees to promptly pay the Advisor according to the Fees and Expenses section of this Agreement. A Transaction shall be deemed consummated before such date if any agreement in principle which includes material terms of such Transaction is reached prior to such date even if the closing occurs later. Within thirty (30) days following the Termination or expiration of the Term, Advisor shall deliver to the Company a list of Covered Parties, which list shall establish the basis for compensation under the provisions of the Agreement following the expiration of the Term. For the avoidance of doubt, it is expressly agreed that the foregoing shall apply to the exercise of any rights by any Covered Party in the Offering of any right (granted pursuant to the Offering) to participate in any subsequent registered or unregistered offering of Company securities during such 12 month period.

XI. Governing Law and Jurisdiction:

This Agreement is governed by and construed in accordance with the laws of the State of New York, without regard to its choice of law provisions. The Advisor and the Company: (i) agree that any legal suit, action or proceeding arising out of or relating to this Agreement and/or the Transactions contemplated hereby shall be instituted exclusively in New York Supreme Court, County of New York, or in the United States District Court for the Southern District of New York, (ii) waive any objection which they may have or hereafter to the venue of any such suit, action or proceeding, and (iii) irrevocably consent to the jurisdiction of the New York Supreme Court, County of New York, and the United States District Court for the Southern District of New York in any such suit, action or proceeding. The Advisor and the Company hereby expressly waive all rights to trial by jury in any suit, action or proceeding arising under this Agreement. The Advisor and the Company further agree to accept and acknowledge service of any and all process which may be served in any such suit, action or proceeding in the New York Supreme Court, County of New York, or in the United States District Court for the Southern District of New York and agree that service of process upon the Company sent by certified mail or private carrier (Federal Express, UPS or equivalent) to the Company’s address shall be deemed in every respect effective service of process upon the Company, in any such suit, action or proceeding, and service of process upon the Advisor mailed by certified mail to the Advisor’s address shall be deemed in every respect effective service of process upon the Advisor, in any such suit, action or proceeding

XII. No Rights in Shareholders, etc.:

The Company recognizes that Advisor has been engaged only by the Company, and that the Company's engagement of Advisor is not deemed to be on behalf of and is not intended to confer rights upon any shareholder, partner, member or other owner or security holder of the Company or any other person not a party hereto as against Advisor or any of its affiliates or any of their respective directors, officers, agents, employees or representatives. No one other than the Company is authorized to rely upon the Company's engagement of Advisor or any statements, advice, opinions or conduct by Advisor. The Company will not disclose such statements, advice, opinions or conduct to others (except (i) the Company's legal advisors and (ii) other than as set forth elsewhere in this Agreement, as required by law; provided however that in the event such disclosure is required by law, the Company will, unless specifically prohibited by law, first provide Advisor with prompt prior written notice of such requirement so that Advisor may seek a protective order or other appropriate remedy and/or waive compliance with the provisions of this sentence; and provided further that, in the event that Advisor is unable to obtain such protective order or other appropriate remedy, the Company will (i) furnish only that portion of such information which the Company is advised by opinion of external counsel is legally required, (ii) give Advisor written notice of the information to be disclosed as far in advance as practicable, and (iii) exercise its commercially reasonable efforts to obtain a protective order or other reliable assurance that confidential treatment will be accorded such information so disclosed).

Without limiting the foregoing, any opinions or advice rendered to the Company's Board of Directors or the Company's management in the course of the Company's engagement of Advisor are solely for the purpose of assisting such Board of Directors or management, as the case may be, in evaluating any Transaction and do not constitute a recommendation to any director of the Company not based on the recommendation of the Company, and any shareholder partner, member or other owner or security holder of the Company concerning action that such shareholder, partner, member or other owner or security holder of the Company might or should take in connection with any Transaction. Advisor's role herein is that of an independent contractor; nothing herein is intended to create or shall be construed as creating a fiduciary or agency relationship between Advisor and the Company or any of the Company's security holders, creditors, employees or other stakeholders. The Company agrees that it shall not make, and hereby waives, any claim based on an assertion of such an agency or fiduciary relationship.

XIII. Miscellaneous:

- (a) All payments and reimbursements of expenses payable hereunder shall be made in U.S. dollars in immediately available funds.
 - (b) This Agreement contains all of the understandings between the parties hereto with reference to the subject matter hereof. No other understanding not specifically referred to herein, oral or otherwise, shall be deemed to exist or bind any of the parties hereto and any such understandings, oral or otherwise, not specifically referred to herein shall be merged into this Agreement and superseded by the provisions hereof.
 - (c) No officer or employee of any party has any authority to make any representation or promise not contained herein.
 - (d) Following the Closing of a Transaction and its public disclosure by the Company, Advisor shall have the right, at its own expense, to publish an advertisement and case study describing the Transaction, which may include only information which has previously been publicly disclosed by the Company, the reproduction of the Company's logo, a brief description of the Transaction and a link to the Company's website. If requested by Advisor, the Company agrees to include a mutually acceptable reference to Advisor in any press release or other public announcement made by the Company regarding a Transaction as contemplated herein.
-

- (e) This Agreement cannot be amended or modified except by a written instrument signed by each party hereto.
- (f) The provisions of this Agreement shall apply to the engagement of Advisor by the Company (including related activities prior to the date hereof) and any modification thereof and those provisions which are intended to survive termination of this Agreement, shall remain in full force and effect regardless of the completion or termination of such engagement as provided for herein.
- (g) If any term, provision, covenant or restriction herein is held by a court of competent jurisdiction to be invalid, void or unenforceable or against public policy, the remainder of the terms, provisions and restrictions contained herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated.
- (h) Notwithstanding any provision of this Agreement to the contrary, the Company agrees that neither the Advisor nor its affiliates, officers, directors, employees, agents and representatives or each other person controlling the Advisor or any of such individuals or entities, shall have any liability (whether direct or indirect, in contract or tort or otherwise) to the Company for or in connection with the engagement and Transactions described herein except for any such liability for losses, claims, damages or liabilities incurred by us that are finally judicially determined to have resulted from the willful misconduct or gross negligence of such individuals or entities.
- (i) The USA PATRIOT ACT and other applicable anti-money laundering rules and regulations (collectively, “**AML Provisions**”) are designed to detect, deter and punish money laundering and terrorist financing activities in the U.S. and abroad. In accordance with the requirements imposed on the Advisor under the AML Provisions by FINRA and other authorities with jurisdiction over the Advisor, Advisor may ask Company to provide various identification documents and/or other information during the transaction process.
- (j) This Agreement may be executed in counterparts, which counterparts may be executed and delivered by facsimile or email/.pdf transmission, which shall not impair the validity of such execution or delivery.

XIV. Indemnification:

Recognizing that Advisor, in providing the services contemplated hereby, will be acting as representative of and relying on information provided by the Company, the Company agrees to the provisions of **Attachment A** attached hereto.

XV. No Limitations:

Nothing in this Agreement shall be construed to limit the ability of the Advisor or its affiliates to (a) trade in the Company's or any other company's securities or publish research on the Company or any other company, subject to applicable law, or (b) pursue or engage in investment banking, financial advisory or other business relationships with entities that may be engaged in or contemplate engaging in, or acquiring, merging with, partnering with, or disposing of, businesses that are similar to or competitive with the business of the Company. Advisor hereby confirms that it has established internal policies and procedures that are reasonably designed to, and that require it to restrict the flow of material non-public information and maintain such information relating to the Company confidentially, to the extent applicable to Advisor in connection with its activities hereunder and that it will throughout the term of this Agreement maintain and enforce such policies and procedures.

If this Agreement meets with your approval, please indicate your acceptance of the above by signing where indicated below and returning this Agreement by facsimile and/or the original by mail to the undersigned.

**ATTACHMENT A****INDEMNIFICATION AGREEMENT**

This Indemnification Agreement (the “**Agreement**”), dated April 20, 2023 is made by and between authID Inc. and its related entities (collectively, the “**Company**”) and Madison Global Partners, LLC (“**Advisor**”).

In consideration of the services to be provided by Advisor under the engagement agreement to which this Agreement is attached (the “**Engagement Agreement**”), the Company agrees to indemnify and hold harmless the Advisor and its affiliates, officers, directors, employees, agents and representatives and each other person controlling the Advisor any of such individuals or entities (each an “**Indemnified Person**”) from and against all losses, claims, damages, liabilities, costs or expenses, including those resulting from any threatened or pending investigation, action, proceeding or dispute whether or not the Advisor or any such other Indemnified Person is a party to such investigation, action, proceeding or dispute, arising out of the Advisor’s entering into or performing services under the Engagement Agreement, or arising out of any matter referred to in the Engagement Agreement or this Agreement. This indemnity shall also include the Advisor’s and/or any such other Indemnified Person’s reasonable attorneys’ and accountants’ fees and out-of-pocket expenses incurred in such investigations, actions, proceedings or disputes which fees, expenses and costs shall be periodically reimbursed to the Advisor and/or to any such other Indemnified Person by the Company as they are incurred; provided, however, that the indemnity herein set forth shall not apply to an Indemnified Person where a court of competent jurisdiction has made a final determination that such Indemnified Person engaged in willful misconduct or gross negligence in the performance of the services hereunder which gave rise to the loss, claim, damage, liability, cost or expense sought to be recovered hereunder (but pending any such final determination the indemnification and reimbursement provisions hereinabove set forth shall apply and the Company shall perform its obligations hereunder to reimburse the Advisor and/or each such other Indemnified Person periodically for its, his or their fees, expenses and costs as they are incurred).

If for any reason, the foregoing indemnification is unavailable to the Advisor or any such other Indemnified Person or insufficient to hold it harmless, then the Company shall contribute to the amount paid or payable by the Advisor or any such other Indemnified Person as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect not only the relative benefits received by the Company and its shareholders on the one hand and the Advisor or any such other Indemnified Person on the other hand, but also the relative fault of the Company and the Advisor or any such other Indemnified Person, as well as any relevant equitable considerations; provided that in no event will the aggregate contribution by the Advisor and any such other Indemnified Person hereunder exceed the amount of fees actually received by the Advisor pursuant to this Agreement. The reimbursement, indemnity and contribution obligations of the Company hereinabove set forth shall be in addition to any liability which the Company may otherwise have and these obligations and the other provisions hereinabove set forth shall be binding upon and inure to the benefit of any successors, assigns, heirs and personal representatives of the Company, the Advisor and any other Indemnified Person.

The parties will not, without the prior written consent of the other party, settle (or facilitate or participate in the settlement of, it being understood that settlement discussions themselves shall not be deemed to violate this clause) any litigation relating to the parties’ engagement hereunder unless such settlement includes an express, complete and unconditional release of the other party and all of Advisor’s Indemnified Persons with respect to all claims asserted in such litigation or relating to the parties’ engagement hereunder; such release to be set forth in an instrument signed by all parties to such settlement.

Prior to entering into any agreement or arrangement with respect to, or effecting, any proposed sale, exchange, dividend or other distribution or liquidation of all or a significant portion of the Company's assets in one or a series of transactions or any significant recapitalization or reclassification of the Company's outstanding securities that does not directly or indirectly provide for the assumption of the Company's obligations set forth in this Agreement, including without limitation this Schedule A, the Company will notify Advisor in writing thereof and, if requested by Advisor, shall arrange in connection therewith alternative means of providing for the obligations of the Company hereunder, including the assumption of such obligations by another party, insurance, surety bonds or the creation of an escrow, in each case in an amount and upon terms and conditions mutually satisfactory to both parties.

The terms and conditions this Agreement shall survive the termination and expiration of this Engagement Agreement and shall continue indefinitely thereafter.

1. Manner of Exercise; Issuance of Shares; Payment for Shares.

(a) Subject to the provisions hereof, this Warrant may be exercised by the Holder, in whole or in part, by the surrender of this Warrant, together with a completed notice of exercise in the form attached hereto (the “Notice of Exercise”), to the Company during normal business hours on any business day at the Company’s principal executive offices (or such other office or agency of the Company as it may designate by notice to the Holder), and upon payment to the Company in cash, by certified or official bank check or by wire transfer for the account of the Company of the Exercise Price for the Warrant Shares specified in the Notice of Exercise. The Warrant Shares so purchased shall be deemed to be issued to the Holder or such Holder’s designee, as the record owner of such Shares, as of the close of business on the date on which this Warrant shall have been surrendered, the completed Notice of Exercise shall have been delivered, and payment shall have been made for such Shares as set forth above. The Company will direct the Company’s Transfer Agent to issue to the Holder the Warrant Shares to which Holder is entitled within a reasonable time, not exceeding three (3) business days, after this Warrant shall have been so exercised. If this Warrant shall have been exercised only in part, then, unless this Warrant has expired, the Company shall, at its expense, at the time of delivery of such certificates or other evidence, deliver to the Holder a new Warrant representing the number of Warrant Shares with respect to which this Warrant shall not then have been exercised.

(b) If at any time on or after the six month anniversary of the date of this Warrant, there is no Registration Statement effective and available for use by the Holder to resell the Warrant Shares immediately upon exercise of this Warrant, this Warrant may also be exercised in whole or in part by means of a “cashless” or net exercise, in the following manner. Under a cashless exercise the Holder shall be entitled to receive the number of Warrant Shares which is equal to the quotient obtained by dividing $[(A-B) \times (C)]$ by (A) where:

A = The Market Price of the Warrant Shares defined as the average of the last reported sale prices on the principal trading market for the Common Stock during the five (5) trading days immediately preceding such exercise date.

B = The Exercise Price hereunder (as adjusted).

C = The number of Warrant Shares that the Holder wishes to exercise as set forth in the applicable Notice of Exercise.

(c) All Warrant Shares will be issued in “Book Entry” form and no certificates will be issued, unless the Warrant Shares are then registered under the Securities Act, or if the Company receives a written opinion of counsel, which opinion and counsel are acceptable to the Company, to the effect that such Warrant Shares may freely transferred without registration under said Act and under applicable state securities or blue sky laws, in which case they may be issued to the Holder by DWAC, upon Holder providing the necessary information. Unless the Warrant Shares are then so registered, the Warrant Shares will be “restricted securities” under applicable securities laws and pursuant to these laws, Holder must hold the Warrant Shares indefinitely unless they are registered with the SEC and qualified by state authorities, or an exemption from such registration and qualification requirements is available. Holder acknowledges that the Company has no obligation to register or qualify the Warrant Shares for resale.

(d) Unless the Warrant Shares are then registered under the Securities Act, the Warrant Shares shall bear a legend substantially to the following effect (as well as any legends required by applicable state corporate law or federal or state securities laws):

“THESE SHARES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933 (“THE ACT”) AND ARE “RESTRICTED SECURITIES” AS THAT TERM IS DEFINED IN RULE 144 UNDER THE ACT. THESE SHARES MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED, ASSIGNED, PLEDGED OR HYPOTHECATED EXCEPT (I) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE ACT, OR (II) UNLESS THE ISSUER HAS RECEIVED AN OPINION OF COUNSEL SATISFACTORY TO IT THAT THESE SHARES MAY BE SOLD PURSUANT TO RULE 144 OR ANOTHER AVAILABLE EXEMPTION UNDER THE ACT AND THE RULES AND REGULATIONS THEREUNDER.”

To ensure compliance with the restrictions referred to herein, the Company may issue appropriate “stop transfer” instructions to its transfer agent.

(e) Notwithstanding anything in this Warrant to the contrary, in no event shall the Holder be entitled to exercise a number of Warrants (or portions thereof) in excess of the number of Warrants (or portions thereof) upon exercise of which the sum of (i) the number of shares of Common Stock beneficially owned by the Holder and its affiliates (other than shares of Common Stock which may be deemed beneficially owned through the ownership of the unexercised Warrants and the unexercised or unconverted portion of any other securities of the Company subject to a limitation on conversion or exercise analogous to the limitation contained herein) and (ii) the number of shares of Common Stock issuable upon exercise of the Warrants (or portions thereof) with respect to which the determination described herein is being made, would result in beneficial ownership by the Holder and its affiliates of more than 4.9% of the outstanding shares of Common Stock. For purposes of the immediately preceding sentence, beneficial ownership shall be determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended, and Regulation 13D-G thereunder, except as otherwise provided in clause (i) of the preceding sentence. Notwithstanding anything to the contrary contained herein, the limitation on exercise of this Warrant set forth herein may not be amended without the written consent of the Holder and the Company.

2. Period of Exercise. This Warrant is exercisable at any time or from time to time on or after the date on which this Warrant is issued and delivered and before 6:00 p.m., New York, New York time on the date set forth in paragraph (f) under “Warrant Details” above (the “Exercise Period”).

3. Certain Agreements of the Company. The Company hereby covenants and agrees as follows:

(a) Shares to be Fully Paid. All Warrant Shares will, upon issuance in accordance with the terms of this Warrant, be validly issued, fully paid, and nonassessable and free from all taxes, liens, and charges with respect to the issue thereof.

(b) Reservation of Shares. During the Exercise Period, the Company shall at all times have authorized, and reserved for the purpose of issuance upon exercise of this Warrant, a sufficient number of shares of Common Stock to provide for the exercise of this Warrant.

(c) Successors and Assigns. This Warrant will be binding upon any entity succeeding to the Company by merger, consolidation, or acquisition of all or substantially all the Company’s assets.

4. Adjustment Provisions. During the Exercise Period, the Exercise Price and the number of Warrant Shares shall be subject to adjustment from time to time as provided in this Paragraph 4. In the event that any adjustment of the Exercise Price as required herein results in a fraction of a cent, such Exercise Price shall be rounded up to the nearest cent.

(a) Subdivision or Combination of Common Stock. If the Company at any time subdivides (by any stock split, stock dividend, recapitalization, reorganization, reclassification or otherwise) the shares of Common Stock acquirable hereunder into a greater number of shares, then, after the date of record for effecting such subdivision, the Exercise Price in effect immediately prior to such subdivision will be proportionately reduced. If the Company at any time combines (by reverse stock split, recapitalization, reorganization, reclassification or otherwise) the shares of Common Stock acquirable hereunder into a smaller number of shares, then, after the date of record for effecting such combination, the Exercise Price in effect immediately prior to such combination will be proportionately increased.

(b) Adjustment in Number of Shares. Upon each adjustment of the Exercise Price pursuant to the provisions of this Paragraph 4(a), the number of shares of Common Stock issuable upon exercise of this Warrant shall be adjusted by multiplying a number equal to the Exercise Price in effect immediately prior to such adjustment by the number of shares of Common Stock issuable upon exercise of this Warrant immediately prior to such adjustment and dividing the product so obtained by the adjusted Exercise Price.

(c) Consolidation, Merger or Sale. In case of any consolidation of the Company with, or merger of the Company into any other corporation, or in case of any sale or conveyance of all or substantially all of the assets of the Company other than in connection with a plan of complete liquidation of the Company, then as a condition of such consolidation, merger or sale or conveyance, adequate provision will be made whereby the Holder will have the right to acquire and receive upon exercise of this Warrant in lieu of the shares of Common Stock immediately theretofore acquirable upon the exercise of this Warrant, such shares of stock, securities or assets as may be issued or payable with respect to or in exchange for the number of shares of Common Stock immediately theretofore acquirable and receivable upon exercise of this Warrant had such consolidation, merger or sale or conveyance not taken place. In any such case, the Company will make appropriate provision to insure that the provisions of this Paragraph 4 hereof will thereafter be applicable as nearly as may be in relation to any shares of stock or securities thereafter deliverable upon the exercise of this Warrant. The Company will not effect any consolidation, merger or sale or conveyance unless prior to the consummation thereof, the successor corporation (if other than the Company) assumes by written instrument the obligations under this Paragraph 4 and the obligations to deliver to the Holder such shares of stock, securities or assets as, in accordance with the foregoing provisions, the Holder may be entitled to acquire.

5. Issue Tax. The issuance of the Warrant Shares upon the exercise of this Warrant shall be made without charge to the Holder or such shares for any issuance tax or other costs in respect thereof, provided that the Company shall not be required to pay any tax which may be payable in respect of any transfer involved in the issuance and delivery of any certificate in a name other than the Holder.

6. No Rights or Liabilities as a Shareholder. This Warrant shall not entitle the Holder to any voting rights or other rights as a shareholder of the Company. No provision of this Warrant, in the absence of affirmative action by the Holder to purchase Warrant Shares, and no mere enumeration herein of the rights or privileges of the Holder, shall give rise to any liability of such Holder for the Exercise Price or as a shareholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

7. Transfer, Exchange, and Replacement of Warrant.

(a) Procedure on Transfer. This Warrant and the rights granted to the Holder are transferable, in whole or in part, upon surrender of this Warrant, together with a properly executed assignment in the form attached hereto, at the office or agency of the Company. Until due presentment for registration of transfer on the books of the Company, the Company may treat the registered Holder as the owner and holder of this Warrant for all purposes, and the Company shall not be affected by any notice to the contrary.

(b) Warrant Exchangeable for Different Denominations. This Warrant is exchangeable, upon the surrender hereof by the Holder at the office or agency of the Company, for new Warrants of like tenor representing in the aggregate the right to purchase the number of shares of Common Stock which may be purchased hereunder, each of such new Warrants to represent the right to purchase such number of shares as shall be designated by the Holder at the time of such surrender.

(c) Replacement of Warrant. Upon receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction, or mutilation of this Warrant and, in the case of any such loss, theft, or destruction, upon delivery of an indemnity agreement reasonably satisfactory in form and amount to the Company, or, in the case of any such mutilation, upon surrender and cancellation of this Warrant, the Company, at its expense, will execute and deliver, in lieu thereof, a new Warrant of like tenor.

(d) Cancellation. Upon the surrender of this Warrant in connection with any transfer, exchange, or replacement as provided in this Paragraph 7, this Warrant shall be promptly canceled by the Company.

(e) Register. The Company shall maintain, at its principal executive offices (or such other office or agency of the Company as it may designate by notice to the Holder), a register for this Warrant, in which the Company shall record the name and address of the person in whose name this Warrant has been issued, as well as the name and address of each transferee and each prior owner of this Warrant.

(f) Exercise or Transfer Without Registration. If, at the time of the surrender of this Warrant in connection with any exercise, transfer, or exchange of this Warrant, this Warrant (or, in the case of any exercise, the Warrant Shares issuable hereunder), shall not be registered under the Securities Act of 1933, as amended (the "Securities Act") and under applicable state securities or blue sky laws, the Company may require, as a condition of allowing such exercise, transfer, or exchange, (i) that the Holder or transferee of this Warrant, as the case may be, furnish to the Company a written opinion of counsel, which opinion and counsel are acceptable to the Company, to the effect that such exercise, transfer, or exchange may be made without registration under said Act and under applicable state securities or blue sky laws, (ii) that the Holder or transferee execute and deliver to the Company an investment representation letter in form and substance acceptable to the Company and (iii) that the transferee be an "accredited investor" as defined in Rule 501(a) promulgated under the Securities Act and provides representations to that effect in form and substance acceptable to the Company; provided that no such opinion, letter or status as an "accredited investor" shall be required in connection with a transfer pursuant to Rule 144 under the Securities Act. The first holder of this Warrant, by taking and holding the same, represents to the Company that such holder is acquiring this Warrant for investment and not with a view to the distribution thereof. In no event shall the Holder be permitted to assign the Warrant unless provided with express written consent by the Company.

8. Notices. All notices, requests, and other communications required or permitted to be given or delivered hereunder to the Holder shall be in writing, and shall be personally delivered, or shall be sent by certified or registered mail or by recognized overnight mail courier, postage prepaid and addressed, to such holder at the address shown for such holder on the books of the Company, or at such other address as shall have been furnished to the Company by notice from such holder. All notices, requests, and other communications required or permitted to be given or delivered hereunder to the Company shall be in writing, and shall be personally delivered, or shall be sent by certified or registered mail or by recognized overnight mail courier, postage prepaid and addressed, to the office of the Company at 1580 N. Logan St., Suite 660, Unit 51767, Denver, Colorado 80203 Attn: Graham N. Arad or legal@authid.ai or at such other address as shall have been furnished to the Holder by notice from the Company. Any such notice, request, or other communication may be sent by e-mail. All notices, requests, and other communications shall be deemed to have been given either at the time of the receipt thereof by the person entitled to receive such notice at the address of such person for purposes of this Section 8, or, if mailed by registered or certified mail or with a recognized overnight mail courier upon deposit with the United States Post Office or such overnight mail courier, if postage is prepaid and the mailing is properly addressed, as the case may be.

9. Governing Law. This Warrant shall be enforced, governed by and construed in accordance with the laws of the State of New York applicable to agreements made and to be performed entirely within such state, without regard to the principles of conflict of laws. The parties hereto hereby submit to the exclusive jurisdiction of the courts, Federal and State located in New York County, New York with respect to any dispute arising under this Warrant, the agreements entered into in connection herewith or the transactions contemplated hereby or thereby. Both parties irrevocably waive the defense of an inconvenient forum to the maintenance of such suit or proceeding. Both parties further agree that service of process upon a party mailed by first class mail shall be deemed in every respect effective service of process upon the party in any such suit or proceeding. Nothing herein shall affect either party's right to serve process in any other manner permitted by law. The party which does not prevail in any dispute arising under this Warrant shall be responsible for all fees and expenses, including attorneys' fees, incurred by the prevailing party in connection with such dispute.

10. Miscellaneous.

(a) Amendments. This Warrant and any provision hereof may only be amended by an instrument in writing signed by the Company and the Holder.

(b) Descriptive Headings. The descriptive headings of the several paragraphs of this Warrant are inserted for purposes of reference only and shall not affect the meaning or construction of any of the provisions hereof.

(c) Remedies. The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Holder, by vitiating the intent and purpose of the transaction contemplated hereby. Accordingly, the Company acknowledges that the remedy at law for a breach of its obligations under this Warrant will be inadequate and agrees, in the event of a breach or threatened breach by the Company of the provisions of this Warrant, that the Holder shall be entitled, in addition to all other available remedies at law or in equity, and in addition to the penalties assessable herein, to an injunction or injunctions restraining, preventing or curing any breach of this Warrant and to enforce specifically the terms and provisions thereof, without the necessity of showing economic loss and without any bond or other security being required.

IN WITNESS WHEREOF, the Company has caused this Warrant to be signed by its duly authorized officer.
